❖ 8. **NOTICE OF MOTION- LOCAL COMPANIES TO BE URGED TO SPONSOR VARIOUS TALENTS BY (GEORGE MUKHWANA MASIKA)**

Mr. Speaker Sir, I beg to give notice of the following motion:-

THAT, aware that Trans Nzoia County is full of talented people, as seen in the past national competition whereby St. Antony High School has lifted the National

Football title many times; Manor House secondary school has lifted the National volleyball Champions several times, as well as Wiyeta Girls displaying best women football nationally.

I note with great concern that Trans nzoia county lacks public training centres, camp sites, as well as policies that will ensure facilitations and sponsorship of upcoming talents as done in other counties for instance Eldoret which has many training centres and camps for upcoming and accomplished athletes, In Nairobi where football training camps are in several estates facilitated by Nairobi based football stars like Mariga, Oliech, Victor etc resulting to more talents being natured locally. Nothing how economically these super stars invest back into their communities and counties.

I urge this house to come up with legislation that will guide policies to help in inventories and talent search to identify, nurture and sponsor youngsters who are gifted in different fields. To urge local companies like Kenya seed and ADC firms and other companies to come up with programs that will promote talents as well as giving sponsorship to teams and individuals exhibiting these great talents as one way of cooperate responsibility; so as not to waste such great potential in our people but rather encourage them advance to international levels.

Thank you Mr. Speaker

A.O. INDAKWA.
CLERK OF THE COUNTY ASSEMBLY.
