❖ Denotes the Business of the day.

Mr. Speaker Sir, I beg to give notice of the following motion;

Mr. Speaker aware that rules of this Assembly as provided for pursuant to section 191 of the Standing Order for formation and composition of committees. It is a major rule of such composition that all members of the Assembly ought to be allowed to participate in the affairs of the Assembly by being accorded an opportunity to participate in the committees of the Assembly.

Mr. Speaker this way the Assembly shall be promoting the spirit of democratic governance and equal representation. For this reason it is prudent that membership to committees be harmonized so that every member is enabled to effectively participate.

Consequently; I now Move that membership of the various committees of the Assembly be reviewed and harmonized accordingly. In order to allow all the membership to participate equally and equitably.

Thank you Mr. Speaker Sir.

ii) MOTION – Formation of various Committees - (By. Hon. Mathews Nyarango)

Mr. Speaker Sir,

AWARE of the emerging complex security concerns in our country,

AWARE that security systems are now employing modern technology in order to keep abreast with these new challenges;

FUTHER AWARE that there are certain statutory and customary privileges which accrue to this Assembly and its members, AND AWARE that this Assembly ought to be constantly informed of the developments at both levels of government.

Mr. Speaker, there is urgent need that relevant committees of this Assembly be formed to deal with the foregoing matters.

Consequently, I MOVE that the following committees be established accordingly;

1. Information Communication Technology (ICT) Committees
2. Security Committee
3. The powers and privileges committee.
4. Inter-Governmental Relations Committee.

Thank you Mr. Speaker.

iii) MOTION- LOCAL COMPANIES TO BE URGED TO SPONSOR VARIOUS TALENTS BY (HON. GEORGE MUKHWANA MASIKA)

Mr. Speaker Sir,

THAT, aware that Trans Nzoia County is full of talented people, as seen in the past national competition whereby St. Antony High School has lifted the National Football title many times; Manor House secondary school has lifted the National volleyball Champions several times, as well as Wiyeta Girls displaying best women football nationally.

I note with great concern that Trans nzoia county lacks public training centres, camp sites, as well as policies that will ensure facilitations and sponsorship of upcoming talents as done in other counties for instance Eldoret which has many training centres and camps for upcoming and accomplished athletes, In Nairobi where football training camps are in several estates facilitated by Nairobi based football stars like Mariga, Oliech, Victor etc resulting to more talents being natured locally. Nothing how economically these super stars invest back into their communities and counties.

I urge this house to come up with legislation that will guide policies to help in inventories and talent search to identify, nurture and sponsor youngsters who are gifted in different fields. To urge local companies like Kenya seed and ADC firms and other companies to come up with programs that will promote talents as well as giving sponsorship to teams and individuals exhibiting these great talents as one way of cooperate responsibility; so as not to waste such great potential in our people but rather encourage them advance to international levels.

Thank you Mr. Speaker
