AMENDMENT TO THE TRANS NZOIA COUNTY FINANCE ACT, 2013 By (Hon. Mathews Nyarango)

Mr. Speaker Sir,

I beg to move the following motion.

AWARE that our traders in Trans Nzoia County have been faithful and committed to payment of their taxes to the County Government;

And further **AWARE** that these traders too require incentives to enhance their commitment to payment of their dues to the County Government;

MOREOVER FURTHER AWARE that other County Governments have adopted measures towards this end;

Mr. Speaker the County Government of Trans Nzoia ought to take such measures as may be necessary to not only encourage our business people to pay their levies but also as a gesture of appreciation for their commitment.

For these reasons I now **MOVE** that by Resolution of this Assembly, the Finance Act,2013 be amended to provide for tax exemption for certain traders during public holidays and Sundays except for certain centre that have market day on Sunday the reprieve of taxes will be on Saturday in any other such manner as the circumstances may demand.

Thank you Mr. Speaker

❖ **SAFETY FOR BODA BODA RIDERS By (Hon. Betty Kipsongok)**

Mr. Speaker Sir,

I beg to move the following motion.

AWARE that the *Bodaboda* business in the transport Sector has employed a big percentage of our youths in the County and elsewhere. This subsector is an integral part of our society and economy.

AND FURTHER AWARE that this notwithstanding, the *boda boda* business has been neglected, overlooked and relegated to the back seat of our main agenda as a people and government. It is high time that we gave this important sub-sector the attention it deserves. To say that this sub-sector has employed youths and thus helped boost security and self-reliance is an understatement.

Mr. Speaker, this sub-sector has tried to self-regulate itself, but one thing remains a major challenge; the safety of the *boda boda* riders. Due to inadequate space specifically built for *boda bodas* on our road network and undue advantage over *boda boda* by other roads users, they are not safe to say the least.

Mr. Speaker, road safety lessons and a proper road network which has side lanes constructed for *boda boda* riders will go a long way in creating a safe working environment for *boda boda* riders and other road users.

For the above reasons, I **MOVE** that the executive committee member of Roads and infrastructure initiates safety lessons in favor of Boda Boda operators and further to develop proper Road network which has side lanes constructed solely for the use by the Boda Boda operators.

Thank you Mr, Speaker, Sir.

❖ **NEED TO MAKE USE OF IDLE LAND By (Hon. Bernedine Omondi)**

Mr. Speaker Sir,

I beg to move the following motion;-

AWARE that, Trans-Nzoia as a County relies on Agriculture and further **AWARE** that there exists large tracks of land which usually remains idle from year to year due to absent landlords at ADC Farms, I now move that the County Government enacts an appropriate law to seize and utilize such parcels of land to enhance productivity, prosperity and to reduce unemployment in the alternative the absent landlords be taxed to improve on revenue collection.

Thank you Mr. Speaker.

A.O. INDAKWA.

CLERK OF THE COUNTY ASSEMBLY.
